A progressive verb tense describes an action that was continuing, is continuing, or will continue.

**Past progressive** tense (action that was continuing):
Carrie was planning an extended hike.

**Present progressive** tense (action that is continuing):
Carrie is hiking the Appalachian Trail.

**Future progressive** tense (action that will continue):
Carrie will be hiking for two weeks.

Circle the progressive verb phrases in sentences 1, 3, and 5. Tell whether each one states the past, present, or future tense. Then follow the directions in sentences 2, 4, and 6.

1. We were hiking a long uphill trail. ______________________________________________
